Old House with garden for restoration, in Almádena

Old house with garden for full renovation, in the center of the beautiful and quiet village of Almádena, in Lagos Municipality.

With two fronts, the house has currently a useful area of 87 sq.m, a storage area of 48 sq.m and a garden area of 104 sq.m. Total area of the land : 239 sq.m.

Built before 1951, the house needs a huge renovation work, but has all the potential to become a dwelling with generous areas, with 3 or 4 bedrooms, being able to build an upper floor, and still maintain a beautiful garden.

The house has a lot of charm and is inserted in a very quiet street, with very little or no traffic, and just waits for someone who knows how to rebuild it and return it to habitability.
