On the ground floor, we find a large entrance hall, which distributes from one side to a beautiful and spacious living room, with fireplace, which enjoys plenty of natural light, having 3 openings to the outside, and which connects to the dining room, which in turn is connected to the kitchen, all equipped, with excellent dimensions; and on the other side the hall gives access to a service bathroom, and the 3 bedrooms, one of which is a suite with private bathroom.

On the upper floor, we have 2 more large bedrooms, boasting private terraces. One of these is used as an office and leisure room. A bathroom is also available on this floor.

All bedrooms are spacious and offer built-in wardrobes, with the exception of the office.

Outside, the house offers a great swimming pool, whose pump was recently changed, and enjoy lovely terrace areas on Portuguese sidewalk, and a useful closed garage, for a car, and storage. If you have a second car, you can leave it parked on the sidewalk, next to the main entrance of the house.

What more to say about this property, with a traditional design, dating from the 90s, but which remains very well preserved? It is ready to move in, as all the furniture and equipment stay in the house.

This could be your house! Don't miss this opportunity! Come and discover this unique property! Contact us now to schedule your visit or for more information.
